

WV100031

EN

Fire-resistant, scratch-resistant, and anti-fog polycarbonate full face protection. Requires KASK Easy Click Adapters FR. Can be worn with corrective glasses. Compatible with all Quantum helmets. Meets EN 14458 Standard.

The ZEN FF PLUS VISOR mounted on the QUANTUM helmet, via the EASY CLICK ADAPTERS FR, makes the helmet usable for use in wildland firefighting (EN16471) and technical rescue activities (EN16473) where there is potential exposure to flames.

TECHNICAL DETAILS

 MATERIAL Polycarbonate	 STANDARD EN 14458
 TEMPERATURE OF USE -30°C / +50°C	EN 166 EN 170 (clear) EN 172 (smoke, mirror)
 OPTICAL CLASS 1	ANSI Z87.1
 WEIGHT 145 g	 CATEGORY III

ADDITIONAL INFORMATION

GUARANTEE

3 years from date of purchase

SHELF LIFE

10 years starting from the date of manufacture. Shelf life depends on various factors that can cause deterioration such as sudden temperature changes, the amount of exposure to direct sunlight and the intensity of use. Altered vision and scratches are elements that signal the need to check for deterioration of the visor.

CLEANING

Clean only with water and mild soap. Allow to air dry. Do not use chemical detergents, solvents, petrol powders as they are too aggressive and could lower the structural resistance of the visor. Do not rub the lens when dry.
